- Strong relation within all supply chain partners: shipper, consignee, Public Stakeholders and heavy lift carriers.
- Full support and information to clients throughout dedicated project Team

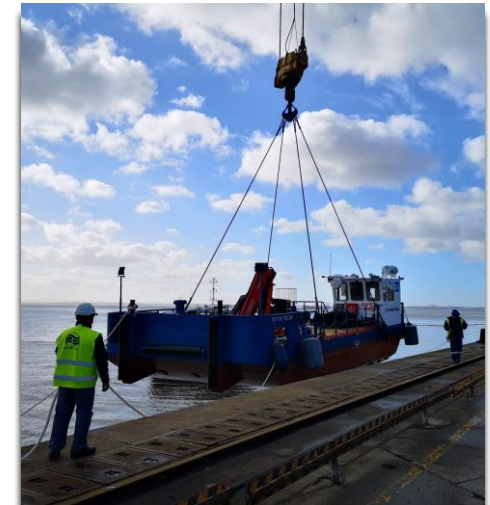

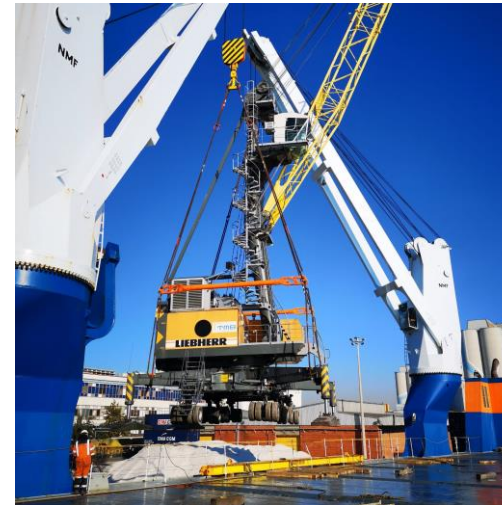

PROJECT CARGO

**For each need
a specialized service**

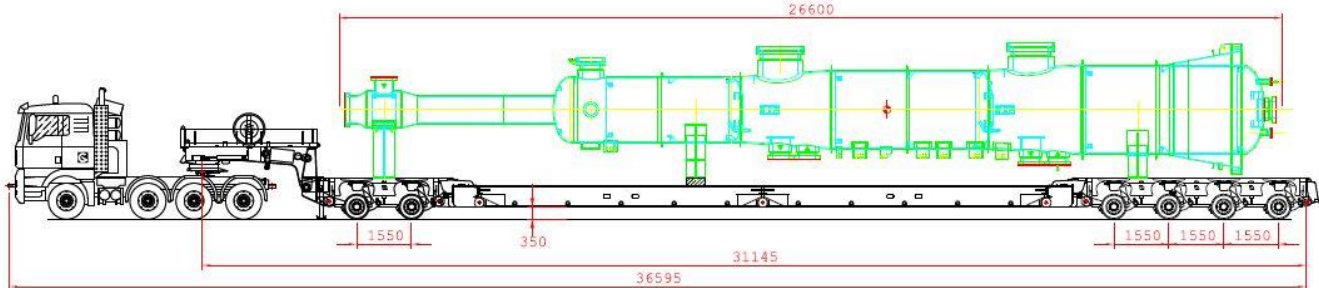

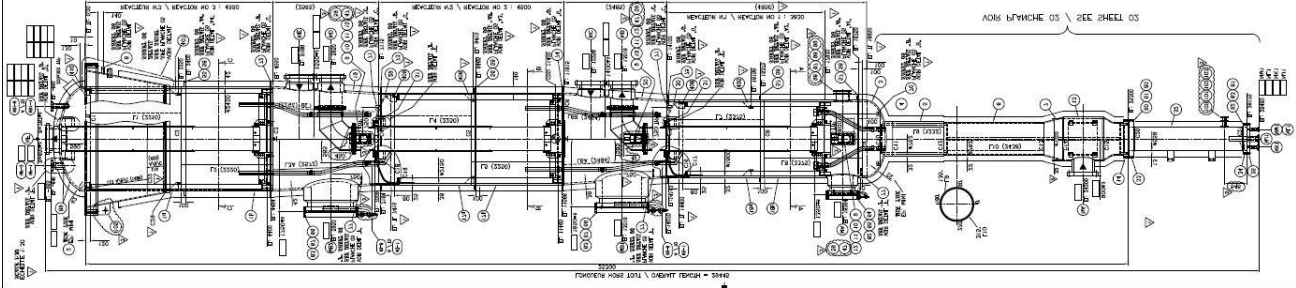

- Handling all types of cargo, no matter size or form
- Without preconceived ideas and changing paradigms.
- Full logistics set up

PROJECT CARGO

From the sketch to execution

QUALITY

We believe that a continuous focus on “think tank methodology” and a customer-driven strategy are, nowadays, mandatory for a successful business.

CERTIFIED WITH ISO 9001:2015

- Quality Certification under the referential NP EN ISO 9001:2015 by Bureau Veritas
- The certification led to an intense redesign of business procedures and identification of improvement opportunities, as well as helped on the harmonization of working methods across all our offices
- A new focus on the customer was achieved due to the involvement and dedication of all staff, who seriously adopted the Quality practices and mindset

AUTHORIZED ECONOMIC OPERATOR

Our focus on excellence allows us to reach higher standards.

**Thank you,
for trusting us.**
